Amnart Limcharoen From Thailand Achieves President Rank At ByDzyne

BY TEAM BUSINESS FOR HOME

APRIL 30, 2020

ByDzyne's impressive momentum continues to surge with a powerful new President rank advancement.

The company is pleased to announce that **Amnart Limcharoen** has achieved this prestigious rank in Thailand. The president rank requires at least \$200,000 (7,500,000 Baht) in sales revenue in only a 2 week cycle.

This is a remarkable accomplishment considering all current circumstances. The world is currently facing a crisis, and since April, Thailand has been in lockdown with a strict curfew at 10pm. Although most have been panicking about their future, their job security, and their families, Amnart clearly states that, "with this industry, there is still light at the end of the tunnel."

Mr. Amnart has 20 years of experience in network marketing and has received accolades as a well-recognized expert in personal development and as a coach in leadership, mindset and success.

A mere 10 months ago, he made a tough decision to quit his full-time job and leave everything behind.

"A voice in my heart kept telling me to do something new that would ultimately help other people, and to my surprise, at that very moment, I was introduced to ByDzyne."

"It immediately caught my attention that ByDzyne's Chairmen, Nat & Chanida Purnaputra expressed that their top priority was to create a winning compensation plan and environment where others could also experience the success they have received in this profession. I couldn't have been more impressed and touched by Chanida's love as a company founder and her unique vision of the company as creating a new revolution in the industry: The Amazon of Network Marketing."

Amnart credits his success to allowing his inner world to create his outer world. He has combined both the power of leverage and the power of the Internet, taking focused advantage of ByDzyne's multi-vertical platform to produce massive momentum in just a few months. In addition, Amnart (Coach Tum) helped to develop one 3 Star Diamond, one 2 Star Diamond and four Diamonds, simultaneously, from the beauty and security of his own home!

"Many thanks to Chad & Nattida Chong for showing me how to build with speed and force online with Zoom."

Now, Amnart's goal is to help 100 more individuals make \$30,000 per month. He calls these Ingredients the "MASTERMIND" formula. "It's not just about creating success, it's about creating stability," is one of his business philosophies.

He joyfully credits his success with these words, "I would like to say thank you to the following people. Without them, I have nothing.

Thank you to my Dad and Mum (Saard & Wattanee,) my daughters (Mew & Plaikow,) my beautiful Angel (Chabow Apinya) my family, the entire ByDzyne Corporate team in Thailand and all around the world, my team "Gen1" & "Gen2-24(In the future.) The School of Wealth, and my Mastermind team. Also thank you and hallelujah to God. Thank you for everything you have done for this little boy."
