ByDzyne Launches Nano Technology With The Angel Products

BY TEAM BUSINESS FOR HOME

APRIL 29, 2020

ByDzyne is very pleased to announce a significant enhancement to the Company's product offering within its multi-vertical business platform.

The arrival of The Angel products is creating tremendous excitement among Brand Ambassadors in many different regions because of the unique nature and advanced technology which has created these outstanding products. With a strong focus on nano technology, this Angel ByDzyne collaboration has resulted in the following noteworthy elements:

1. Nano technology facilitates increased absorption of essential nutrients and minerals
2. The cutting-edge Far-Infrared technology enhances effective blood circulation
3. The use of actual gold and silver ingredients to achieve dramatic new results in skin care applications

Nutritional supplements with a key anti-aging function to extend the length of human DNA telomeres.

Of great importance also is the landmark work which has been accomplished by an award-winning physician in formulating and designing these impressive new products. Specifically, he received the Asia Best Products Award and the Gold Medal for superior performance in innovative product technology.

Of great significance in this exciting development is the arrival at ByDzyne of the founder of The Angel Corporation, Mr. Ake Ua-arri Tornueng. Mr. Ake is a prominent and highly successful MLM entrepreneur in Thailand who has recently announced his formal launch with this globally-expanding giant. Mr. Ake brings with him a wealth of experience and success after a 25-year track record in the network marketing profession.

He has honed his remarkable skills with some of the world's most prestigious MLM brands, such as Amway, plus other prominent international and local Thai companies. Among his many accomplishments, Mr. Ake has extensive experience in designing and implementing network marketing systems, social commerce platforms, and creating leadership development strategies. He has now planted his flag with ByDzyne and will play a key role in shaping the success of this legacy-aiming company.

Speaking of his decision to join ByDzyne, Mr. Ake eloquently stated,

"I know firsthand of the world-class leadership and innovative creativity of the ByDzyne owners. Their remarkable success and commitment to the principles of servant leadership created the perfect opportunity for me and my team to establish our futures with this amazing new platform."

Ake Ua-arri Tornueng

In addition to Mr. Ake's role as an outstanding distributor leader, he also has profound business insights because of his experience as the founder and owner of The Angel Corporation, a company committed to health, wellness, beauty and nano technology.

With Mr. Ake's extensive experience and deep knowledge of product development, state-of-the-art ingredients, and cutting-edge technology evolution, the Angel products have now become part of ByDzyne's impressive value proposition.

The company's Chairman, Mr. Nat Puranaputra expressed his confidence by saying,

"We are honored to welcome Khun Ake, his team members and these outstanding Angel products to the ByDzyne family."

His caliber, experience and qualifications are a wonderful addition to our company and he will play a leading role of influence as we continue to expand our success, not only in Thailand but throughout the world."
