Nat & Chanida Puranaputra - ByDzyne

According to a ByDzyne press release:

ByDzyne has been shattering all expectations since inception, with a staggering 600% revenue growth within just the last 2 weeks. With relentless tenacity, ByDzyne transitioned from a captivating concept into the formation of a brand new, unique, innovative, and wildly creative company in the people-empowering profession of network marketing.

This relentless tenacity has been a central characteristic of every dramatic success story that has been created in the past one year. Only a few weeks ago on May 16, ByDzyne celebrated its one year anniversary with a star-studded online event, attracting over 10,000 people from around the world during the live event.

Literally, every corner of the planet. The global footprint that has been established by the Company within such a short period of time is nothing short of remarkable. And, the power of ByDzyne's multi-vertical business model is definitely being manifested in some preliminary success measurements.

In only one year, the Company has already established 4 distinct verticals: Technology, Training, Travel and Transform. Eight industries are represented in these diverse categories of products and services: Online Marketing, Internet of Things (IoT), Forex, Lifestyle, CBD, Skincare, Weight loss, and Wellness. The Company's business activities are now enriching people's lives in a full international spectrum of 77 countries. All in only one year. And, according to ByDzyne's vision, this is only the very beginning.

Nat Puranaputra, ByDzyne's Chairman, summarized the progress of the company in these words,

"Our first 12 months has been a time of great preparation. We captured in vision exactly what we wanted to accomplish with the establishment of a brand new company.

We knew that our business model needed to look completely fresh and unlike anything we had ever seen in the MLM space. In these early stages, we are confident that we have hit a home run and have established a very strong foundation and platform for the long-term legacy growth of the company."

Chanida Puranaputra, the Company's Chairwoman, added,

"With the ByDzyne foundation now in place, we are 100% prepared for the full global launch of our BDNation Movement. In Year 1, it was vital that we place every cornerstone in the right position in our foundation to support the rapid and significant growth that we knew would come.

It is now the beginning of Year 2, and we are fully ready for an explosive launch with the same power I saw on television a couple of days ago with the launch of the SpaceX rocket. In a business sense, all the fire and smoke that lifted that rocket off from the launch pad are doing the same thing with ByDzyne right now.
