Pornchai From Thailand Achieves President Rank With ByDzyne

BY TEAM BUSINESS FOR HOME

JUNE 28, 2020

According to a ByDzyne press release:

The momentum of success in Thailand for ByDzyne is going in only one direction and at one speed: Up and fast! The Company's multi-vertical value proposition is resonating throughout the country as hundreds and then thousands of new Brand Ambassadors are rushing to become part of the New Era of network marketing represented by the innovative ByDzyne business model.

With this dramatically increasing growth trajectory, ByDzyne is pleased to announce another significant rank achievement with **Pornchai Sr Chiangmai** reaching the President rank. Pornchai has displayed an awesome work ethic, along with his team, in creating more than \$200,000 in sales within only a 2-week period.

Pornchai's story is filled with struggle, challenges, inspiration and a substantial victory. Only a few months ago in January 2020, he experienced a major life crisis which placed him at a total dead end. It was a deeply frustrating time, however, he was fortunate to view a Facebook Live event where a man was talking about an 18-month personal journey that started from zero and resulted in a very substantial income.

Pornchai was intrigued and inspired by this man and his story and started to follow him on social media. Ultimately, Pornchai met Amnart Limcharoen (Coach Tum) in person and this was the beginning of a powerful new friendship. Pornchai discovered that Coach Tum was a man of enormous talents, including many years of experience in mentoring correct principles of leadership development and success as well as more than 20 years of experience in the profession of network marketing.

Team Thailand

Pornchai learned that by using the power of the internet and the influence of leverage through the ByDzyne platform success is made easier. He accomplished the Company's 2 Star Diamond rank within the first two months of building his team, and only two months later has now attained the coveted President level. He shared a comment regarding his personal success journey:

"The core element of my success is that I made a serious decision and was committed to never turning back. I also learned that success is not only about knowledge. Rather, an even more important point, is turning knowledge into action and measurable results. I am grateful to Coach Tum for his incredible leadership and to ByDzyne for providing the platform that supports all of my new success."

He further underscored the importance of being willing to make 100% complete changes in mindset and direction in order to achieve great goals. He is determined to lead his team to unprecedented success levels by using the principles of team work, doing the right things for the right reasons, and following the great example of his coach.

"I want to become a ByDzyne Crown Brand Ambassador within my first year and with gratitude to everyone, I will make that happen,"

were his passionate words of belief and action. Pornchai expressed tremendous gratitude for his family, for their unwavering support and always being at his side.

"For anyone who is ready to make their dreams become their reality, success will be yours if you change your inner world. Just prepare yourself and let new success make its way to you."

ByDzyne formally congratulates Pornchai Sr Chiangmai on entering this elite group of new President leaders. The Company is looking forward to supporting Pornchai every step of the way as he continues making great contributions to the Company's long-term legacy story.
