JUNE 11, 2020

ByDzyne is proud to announce and celebrate the achievement of **Ronruechai Somjitsittichok** in awarding him the prestigious rank of 2 Star President.

A 2 Star President generates \$400,000 of sales revenue in 2 weeks. However, Ronruechai exceeded that and generated over \$800,000.

An inspiring network marketing story has been created in Thailand and is another great example of the diversity of skills and talents in the family of MLM professionals. Ronruechai Somjitsittichok had a distinguished career as an electrical engineer and was working for a powerful international conglomerate. It was while he was working in this prestigious environment that he made a decisive career change 10 years ago to become a professional network marketer. His motivation was powered by a gigantic goal that one day,

"I will have a billion dollar business that I can completely manage with my personal mobile phone."

Ronruechai's pioneering journey with ByDzyne began even before the company had a name. With humility and strength of purpose, Ronruechai stated that,

"We started with a foundation of overwhelming belief. And now, one year later, we have one of the most advanced business platforms anywhere in the world of network marketing.

Personally, I am deeply impressed by the incredible wisdom of our Chairman and Chairwoman, Nat and Chanida Puranaputra. Their in-depth knowledge regarding every facet of network marketing in combination with the powerful hearts of authentic leaders, gives me confidence, without limits, in the continuing success of the company.

And I am so grateful for the model of new generation leaders like Chad and Nattida Chong, ByDzyne's Founding Brand Ambassadors, who are creating brand new ways of achieving dramatic success in home-based businesses."

His impressive rank advancement is the result of Ronruechai's dedication, commitment and perseverance. His leadership influence has also contributed greatly to the growth and development of ByDzyne. He is inspired by the vision of ByDzyne and is confident that with this amazing platform, he can reach his personal goal of being listed among the Top100 Income Earners in the network marketing profession.

"The fact that ByDzyne provides so many categories of products from digital, physical, and service, has allowed my business to explode more than imaginable!" he exclaims.

Ronruechai is committed to the principle that he must help as many people as possible achieve their success dreams and that ByDzyne is the perfect vehicle to lead massive numbers of people on a prosperous and dream-fulfilling journey.

A significant element which cannot be overlooked in this outstanding rank advancement story, is that it has taken place during the lock down environment required by the COVID-19 crisis. He showed great leadership with his team in taking full advantage of the core principle of working from home. In many ways, succeeding with a home-based business never has had so much meaning as during these challenging times around the world. Ronruechai used the power of the internet and the significant influence of social media platforms in building a great team during this worldwide public health crisis.

In his own words, he described his feelings by saying, "This has been an unimaginable accomplishment during these circumstances. It has created a value of worthiness beyond anything I could ever have imagined." He humbly gives credit to the awesome business platform provided by ByDzyne for his pinnacle accomplishment.

ByDzyne welcomes Ronruechai Somjitsittichok to its tremendous group of Presidential leaders and will continue to be grateful for his inspiring contributions to the long-term success and stability of the company. He represents the very best of the legacy-type leadership examples which are fueling the growth and momentum of this new generation network marketing company.
