JULY 27, 2020

ByDzyne is excited to announce that [Paola Torres](#) and [Salvatore Conforti](#) have achieved the influential rank of 2 Star President.

A 2 Star President generates over \$400,000 of sales revenue in 15 days. Salvatore and Paola come from a background of traditional entrepreneurs and have founded companies in the publishing industry and the health/wellness market segment.

Seven years ago, they took a great leap of faith and became network marketing professionals without any experience whatsoever. They developed their new MLM business while continuing to run their existing business activities.

In the first year of their network marketing journey, they achieved the highest ranks in their company. This gave them the motivation to dedicate themselves to this "people business" as a full-time career and life project. Personal growth and development has been one of their greatest passions in helping other people to succeed beyond their expectations.

In December 2019, they traveled to Los Angeles to meet the owners of ByDzyne and learn about their vision for Latin America. This was an awesome opportunity to prepare Paola and Salvatore to advance their career to a much higher level. Together with their amazing partners, Alvaro Posada, Christian Nunez, Paola Nunez and Elmer Salas, they made the joint decision to explode ByDzyne's business in their countries.

"We immediately fell in love with ByDzyne's business proposition and the complete innovation we witnessed. We knew this was the right company, the right leadership, the right timing, and the right trends for tremendous success."

We saw the global impact of the company, along with diverse products and services, and a company that was created for leaders where people definitely come first. The experience, success track records, and integrity of the owners, Nat and Chanida Puranaputra, Chad and Nattida Chong, and Sophia Wong were decisive for our decision."

Paola and Salvatore stand for the important principle that passion and success go hand in hand and this awesome combination can multiply in its effects and impact throughout an entire team. They are using these concepts to build an unbelievable team filled with upright and big-hearted leaders. They have been honored and humbled to find themselves in a joyful position of working side-by-side with many incredible people, including Jed Buenaluz, who has been a great mentor to them.

In the span of the previous seven months, Paola and Salvatore are confident that they are building the foundation of a very powerful business empire in Latin America. This team already consists of 9 Presidents, 50 Diamonds, more than 100 Directors, and 1,500 Brand Ambassadors.

With all of these inspiring accomplishments, Paola and Salvatore offered these words of great passion and confidence, "We clearly know that the best is yet to come!"
