ByDzyne Opens Philippines Office In Manila

BY TEAM BUSINESS FOR HOME

JANUARY 20, 2021

Branded by its founders as the "Year of Expansion," ByDzyne has officially kicked off 2021 by opening another office in Southeast Asia, in the highly urbanized city of Quezon City, Philippines.

The most populated city in the Philippines and just a quick 30-minute drive from the capital Manila, Quezon City in the Metro Manila district is a premier location for ByDzyne to further cultivate its vision and goals of extending its global reach, expand its product inventory, and create new opportunities for millions.

"2021 is our 'Year of Expansion!'" exclaimed Nat and Chanida Puranaputra, chairmen of ByDzyne. "And it begins with our brand-new office in the Philippines. We wanted to give our leaders there a real opportunity to expand globally, and we are so grateful for the local support there that made this all possible."

Referring to the guidance of local leader Sir Lance Rivera, a former multi-level-marketing company owner himself, the new endeavor had the invaluable assistance of an entrepreneurial specialist with true understanding of the regional market.

His expertise backed the opening of the new office, which is approximately 3,500-square-feet, and boasts a new state-of-the-art training center. The location will serve as a strategic hub for seasoned and new Brand Ambassadors in the area to collaborate and develop. The local leaders are already feeling the support.

"I am so excited and honored on being part of the expansion in my motherland country," expressed 3 Star President Jed Buenaluz. "With over 100 plus million people living there, we are looking forward to impacting the lives of millions of the 'kaibigan' there."

'Kaibigan,' which means 'friend' in the Filipino language, will be excited for the opportunities coming their way. ByDzyne brings with them a puissant presence in numerous Trillion-dollar industries and a multitude of possibilities for every new consumer and/or Brand Ambassador.

And the momentum seems like it has just begun. The Philippines, known for its world-renowned natural wonders, historically vibrant culture, and ample global influence, should be the first of many ventures for ByDzyne in 2021. For a company ardently devoted to expansion this year—new countries, new ranks, new products, new opportunity—it will only be a matter of time before the masses are immersed in a culture where each individual can truly live their life 'ByDzyne.'
