Shane Lapsamphan ByDzyne

Phanawat "Shane" Lapsamphan From Thailand Achieves 3-Star President Rank At ByDzyne

BY TEAM BUSINESS FOR HOME

MARCH 13, 2021

ByDzyne has unearthed its latest precious gem in [Phanawat Lapsamphan](#), as the new Thai top-leader has not only joined their ranks but has reached the 3-Star President ranking in record-breaking fashion.

Lapsamphan, who also goes by "Shane", boasts over 20 years of network marketing experience and previously reached Business for Home's Top-50 list of "Top Incomers Earners." He is locally well-recognized for his expertise and knowledge of the industry, which aided him in rank advancing to his impressive 3-Star President standing at ByDzyne in just a little over a month's time—the quickest span in the Asian region.

According to Shane, his exceptional accomplishment was swift and seamless because of ByDzyne's visionary executive team. He believes their passion and dedication separate them from the rest.

"The reason why I chose and now love ByDzyne was the uniqueness and vision of the owners. I have so much admiration for their Chairmen, Nat and Chanida Puranaputra. Anything they touch turns to gold and it would be a mistake not to join forces."

"They are a major reason why there is so much momentum with this company, and why it is going to change the world of network marketing and so many other industries. On top of that, they deliver on a variety of products like no other company has before, and it is why I am so excited for the future."

exclaimed Shane.

ByDzyne's future is even brighter with the addition of Shane, and its leadership team believes he can help propel the company to even more success in Southeast Asia.

"We have known Shane for a long time, and we believe he is a perfect fit for ByDzyne. He is an extremely hard-worker, is charismatic, and is someone that we have full confidence in helping bring this company to the next level. His accomplishments speak for itself, and we know that he is going to be a huge part of the success we see in Thailand and the rest of Asia,"

confidently shared the Puranaputras.

Their confidence should be high. Shane, originally from the Ayutthaya province just one hour north of the capital, Bangkok, has a proven track record of success. With his arrival, he brings with him a rich background in sales and marketing, vital experience of reaching the top rankings in previous companies, and a drive that he believes is unmatched.

"My goal is simple—to help this company grow to its fullest potential and to become a 'Top-10 Income Earner' in the industry. And I will work determinedly and tirelessly to get there,"

conveyed the Thai entrepreneur.

And you'd be a fool to bet against him. With the ever-evolving vision of ByDzyne's leadership team combined with Shane's work ethic and resolve, we have to confidently assume that any and every goal is attainable. With ByDzyne, limitations truly don't exist.

El líder tailandés Phanawat "Shane" Lapsamphan alcanza el rango de presidente de 3 estrellas en ByDzyne

ByDzyne ha descubierto su última joya preciosa en Phanawat Lapsamphan, ya que el nuevo líder tailandés no sólo se ha unido a sus filas, sino que ha alcanzado el rango de presidente de 3 estrellas de forma récord.

Lapsamphan, que también se hace llamar "Shane", cuenta con más de 20 años de experiencia en el marketing de redes y anteriormente llegó a la lista de los 50 mejores "top ingresos" de Business for Home. Es reconocido localmente por su experiencia y conocimiento de la industria, lo que le ayudó a ascender a su impresionante posición de Presidente de 3 Estrellas en ByDzyne en poco más de un mes, el periodo más rápido en la región asiática.

Según Shane, su excepcional logro fue rápido y sin problemas gracias al visionario equipo ejecutivo de ByDzyne. Cree que su pasión y dedicación les separan del resto.

"La razón por la que elegí y ahora amo a ByDzyne fue la singularidad y la visión de los propietarios. Admiro mucho a sus presidentes, Nat y Chanida Puranaputra. Todo lo que tocan se convierte en oro y sería un error no unir fuerzas."

"Ellos son una de las principales razones por las que hay tanto impulso con esta empresa, y por qué va a cambiar el mundo de las redes de mercadeo y muchas otras industrias. Además, ofrecen una variedad de productos como ninguna otra empresa lo ha hecho antes, y es por eso que estoy tan entusiasmado por el futuro"

exclamó Shane.

El futuro de ByDzyne es aún más brillante con la incorporación de Shane, y su equipo directivo cree que puede ayudar a impulsar la empresa hacia un éxito aún mayor en el sudeste asiático.

"Conocemos a Shane desde hace mucho tiempo y creemos que encaja perfectamente en ByDzyne. Es una persona muy trabajadora, carismática y en la que confiamos plenamente para llevar a esta empresa al siguiente nivel. Sus logros hablan por sí mismos, y sabemos que va a ser una parte importante del éxito que vemos en Tailandia y en el resto de Asia"

comparten con confianza los Puranaputras.

Su confianza debe ser grande. Shane, originario de la provincia de Ayutthaya, a sólo una hora al norte de la capital, Bangkok, tiene un historial de éxito probado. Con su llegada, trae consigo un rico bagaje en ventas y marketing, una experiencia vital de haber alcanzado los primeros puestos en empresas anteriores, y un empuje que considera inigualable.

"Mi objetivo es sencillo: ayudar a esta empresa a crecer al máximo de su potencial y a convertirse en una de las 10 empresas con más ingresos del sector. Y trabajaré con determinación y sin descanso para conseguirlo"

transmite el empresario tailandés.

Y serías un tonto si apostarás contra él. Con la visión en constante evolución del equipo directivo de ByDzyne, combinada con la ética de trabajo y la determinación de Shane, tenemos que asumir con confianza que todos y cada uno de los objetivos son alcanzables. Con ByDzyne, las limitaciones realmente no existen.
