Sirapob & Napapa Rattanaapiroj
From Thailand Achieve 3-Star
President Rank At ByDzyne

BY TEAM BUSINESS FOR HOME

APRIL 13, 2021

ByDzyne's international leadership pool has continued to surge with the recent arrival of Thailand's Sirapob and Napapa Rattanaapiroj, who extraordinarily reached the 3-Star President ranking in their first month.

A 3-Star President generates over \$1 million in sales revenue in just two weeks. *

The acclaimed power couple, who have been married for more than 30 years and have exercised careers in project management and accounting, also has a rich history in multi-level marketing, having achieved some of the industry's top-ranking positions in the past two decades. They are well-known in the Thailand market for their work ethic, leadership, and drive, and their influence has helped bring monumental growth to ByDzyne's presence in Asia.

In that triumphant month's span from February to March this year, the Rattanaapirojs helped produce 13 new Diamonds, three 2-Star Diamonds, two Presidents, and two 2-Star Presidents. The leaders credit a huge part of their and their team's early success to the company's unparalleled vision and the invaluable understanding of its owners.

"ByDzyne is different than any other company in the industry. They have owners that are willing to listen and are always poised to make changes for the best. I would like to thank Nat, Chanida, and all of the founders for the opportunity, timing, support, and belief in Napapa and I that we can do it. It has made the biggest difference and is the main reason why I believe ByDzyne will become the most popular MLM business in Thailand and the world,"

shared a grateful Sirapob:

ByDzyne's reputation has indeed gained tremendous traction since its inception in 2019. The company has already opened in over 120 countries, and its founders intend to expand into at least 15 new markets by December. Nat and Chanida Puranaputra, chairmen of ByDzyne, believe it's leaders like Sirapob and Napapa that are a huge driving force behind the company's "year of expansion" objective. They are ecstatic for the couple's recent achievements and believe there are even greater victories ahead for them.

"We would always want Sirapob and Napapa Rattanaapiroj on our team because they are very special leaders. We have known them for a long time and they have always been people with integrity, an infectious work ethic, and carry with them a desire to help those around them. We congratulate both of them for all of their hard work and we know that they have a tremendously bright future,"

conveyed the Puranaputas.

The Rattanaapirojs, originally from the northern Thai province of Nakhon Sawan, are also excited about what's ahead for ByDzyne. Following such a proficient first 30 days, they are convinced that this is just the beginning for them and for the company's pursuit to become the fastest Billion-dollar company in the world.

"We know this will be the company with members that earn the highest millions and make the biggest impact. ByDzyne has all the perfect ingredients for success and we are blown by how it continues to disrupt the traditional model of network marketing and capitalize on the very latest and greatest trends."

"We could not imagine our lives any other way and we intend to rank advance further than anyone before us. We are Sirapob and Napapa Rattanaapiroj, and we only know how to live our lives ByDzyne!"
